Sub: Awareness among the students' fraternity regarding the National Apprenticeship Training Scheme (NATS) implemented by Govt. of India.

P. R. Mohapatra  
30.07.24

Sir / Madam,

You must be aware that the Board of Practical Training Eastern Region located at Kolkata is the implementing and monitoring authority of the apprenticeship training for the Graduates (Engineer and general stream) and Diploma pass out students in the eastern part of India.

For the implementation of the NATS we expect full contribution from the institution side in making the students more aware about the benefits of apprenticeship training in their career. Through this apprenticeship training the students will be able to hone their skills as per the industry requirements. This is on the job training and hence will be directly benefiting the students fraternity in making them more employable towards the job.

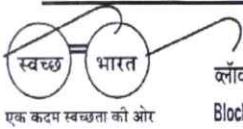

In this regard the institution plays a vital role since they are in direct contact with the students. Also time to time the Board conducts several programmes like NAP (NATS Awareness Programme), CGP (Career Guidance Programme), Industry Institute Meet (IIM) etc. In doing so we expect the institutions to come forward and join hands with this office so that this message can be communicated to its last end.

In this connection all the necessary brochures and guidelines are available in our website that is [www.bopter.gov.in](http://www.bopter.gov.in). We would also request you to disseminate among your students the NATS portal link which is [www.nats.education.gov.in](http://www.nats.education.gov.in) for students' enrolment purpose. For all such updated information you may please visit our website regularly.

Thanking you,

Yours faithfully,

(Sushmita Ghosh)  
Assistant Director
