Notice No. 377 CMV/25 Date 02-01-26

NOTICE

It is hereby notified to all concerned that Charampa Mahavidyalaya, Charampa, Dist. Bhadrak is going to organize an Awareness Programme on Environmental Protection and Creation of a Single-Use Plastic Free Sustainable Campus on 05.01.2026 at 11.00 A.M. in the New Examination Hall, as per Letter No. 70462 dated 24.12.2025 of the Higher Education Department, Government of Odisha.

All UG students (Arts, Science and Commerce) are encouraged to participate actively in the programme. As part of the awareness initiative, students may take part in Essay Writing Competition, Debate and Group Discussion on the above subject to create awareness about avoiding plastic usage and protecting the environment for future generations, thereby realizing the importance of sustainable development.

All staff members and UG students are instructed to attend the programme positively.

The programme will be conducted by:

1. Dr. Srinivas Barik, Lecturer in Chemistry
2. Dr. Firdosh Hossin, Lecturer in Sociology
3. Sri Manoj Kumar Mohalika, Lecturer in Political Science

This is for information and necessary compliance.
