The Principals of
All 662 category colleges
All 488 category colleges

Sub : Popularisation of the Citizen Interface Portal for 'Vikshit Odisha@2036 for Vikshit Bharat @2047' among the Student Community

Madam/Sir,

I am directed to say that the portal for "Vikshit Odisha@2036 for Vikshit Bharat @2047" <https://vision.odisha.gov.in> has been launched by Hon'ble Chief Minister on 30th October, 2024.

Suggestions are elicited from students and other members of the society who are to place their views, to see qualitative improvements in the sectors that they feel necessary. The suggestions should be constructive and in proper manner.

While reviewing the progress of the participation of the students in this forum, it is found that many colleges are not involving the students in a proper manner and they are not being properly informed or made aware about the portal.

A sustained campaign involving the students need to be done involving all students during their leisure period to upload the information and their thoughts on the spot. All teaching and non-teaching staff should also share their views and even parents of students should be involved if possible to provide their suggestion and inputs in the portal.

All RDEs and Principals are requested to take up the matter seriously and RDEs to submit a consolidated report by 30.11.2024 on the number of students and teachers who have participated and given their views in this portal. A certificate is also being issued, signed by Hon'ble Chief Minister appreciating the contributor who has given a proper and decent proposal.

Further communication from this office will be made from time to time regarding progress of the "Vikshit Odisha@2036 for Vikshit Bharat @2047".

Yours faithfully

Director, Higher Education
